FOR OVER 40 YEARS

Welcome to **VARIETY**

CHRISTMAS SAVINGS CLUB

For the past 40 years we've helped over a million families to budget and save for Christmas.

Saving with Variety is so easy. All you need to do is look through this brochure and choose which gift cards and gift vouchers you would like to save for, fill in an order form and hand it back to your Agent. No deposit is required when you place your order.

Once we receive your order form from your Agent, we'll process it on our system and send your Agent a Payment Card for you to keep. It will have details of your order and show what your weekly or monthly payments will be.

You can then start saving for your best Christmas ever.

Over a million people have already trusted and depended on Variety to help them save for Christmas.

We are members of the Christmas Prepayment Association and your savings are placed in a secure Trust Account.

Our customer satisfaction rating is 5 out of 5 on review websites.

Make Saving for Christmas 2023

Your New Year's Resolution

On each advert in this brochure, you will see how much you would pay per week if you chose a particular gift card/gift voucher and started saving on the 1st January 2023. Your final payment is due by the 1st November 2023, so that would be 44 weeks if you started on the 1st January.

You have the freedom to decide the date you start saving so the 44 week breakdown is just an example. However, we recommend you start as soon as possible as this will make your regular payments smaller. You can also decide whether you want to pay weekly or monthly.

There might be times when you need to miss a payment and it is completely fine to do this and catch up later. You just need to make your final payment by the 1st November 2023.

Here is a handy chart which shows you how much your weekly or monthly payments would be, depending on how much decide to order. If you are unsure, we recommend you save a small amount as you can always add to your order later.
